Exclusivity & Placement

We do our best to place all vendors strategically within the event so they are not near competing products; however, we cannot always accommodate requests for placement due to time of application submittal and venue space. No vendor receives exclusivity on categories- Sponsorship opportunities may be discussed if exclusivity is desired. Vendors are placed in the order of which applications are received.

Where can I park?

There is limited street parking available and is first-come-first-serve. There is also a parking garage one block away at 35th and Delgany.
